421. SIGNING SERVICE (OUTSIDE)

At the request of the customer, the company may employ an outside signing service to obtain document signatures. If requested, this service is outside the normal scope of services provided (except as outlined above) and will be paid by the party benefiting from the service in the event it is necessary to use a contracted signer. The company's own employees do not charge signing or notary fees.

422. UNIQUE ESCROW REQUIREMENTS

In some cases, due to unusual requirements and special risks regarding the sale, financing or development of a major project, the Company may find it necessary to enter into contracts or agreements for various services to be rendered and the charges to be made thereon. All such requests must be submitted in full detail for consideration by an authorized Senior Management Officer. This will allow the Company to maintain control while offering pricing which is consistent with established escrow rates on projects of a similar nature.

This unique escrow requirements rule shall apply to transactions of \$1,000,000.00 or more.

423. FIRPTA PROCESSING FEE

This fee in the amount of \$150.00, charged to the seller, is for processing FIRPTA documents as required by the Internal Revenue Service relating to the reporting of the sale of real property by foreign sellers.
