

GREYSTONE TITLE AGENCY, LLC

GENERAL RULES

A. Definition of Escrow

Escrow means any transaction wherein any property, money, written instrument or evidence of title to real property or other thing of value is delivered with or without transfer of legal or equitable title, or both, and irrespective of whether a debtor/creditor relationship is created, to a person not otherwise having any rights, title or interest therein in connection with the sale, transfer, encumbrance or lease of real or personal property, to be delivered or redelivered by that person upon the contingent happening or non-happening of a specified event or performance or nonperformance of a prescribed act, when it is then to be delivered by such person to a grantee, grantor, promisee, promisor, obligee, obligor, bailee, bailor, or a designated agent of employee or any of them. Escrow includes subdivision trust (A.R.S. §6-801, as amended).

B. Computation from Basic Rate

1. There shall be a basic escrow rate charged for all residential escrow transactions, which rate shall vary with the "fair value" of the real property involved in the transaction. The Basic Escrow Rates for (fee and/or leasehold) are set forth in the Rate Schedule.
2. The escrow rate in commercial and industrial real property transactions (fee and/or leasehold) shall also be computed from the basic escrow rate as described in the Summary Account and Rate Schedule sections of this Escrow Rate Filing.
3. Special escrow rates are made applicable to escrow transactions, which involve sub-dividers, builders and developers of residential real properties (fee and/or leasehold). Rates applicable to this category of escrow transaction is based on "fair value" as defined herein and as more fully described in the pertinent Summary Account section.
4. Smart-Start escrow rates are made available for qualified escrow transactions, which involve residential real property (fee and/or leasehold). Rates applicable to this category of escrow transaction is based on "fair value" as defined herein and as more fully described in the pertinent Summary Account section.
5. Commercial and industrial sub-dividers, builders and developers shall be charged an escrow rate based on the basic escrow rate and expressed as a percentage thereof.
6. The rates applicable to other categories of escrow transactions, including those where special rates are applicable, are similarly described in the miscellaneous service or under miscellaneous service charges.

C. Fair Value

The fair value shall be construed as the full value of the property, or the sale price, including the encumbrances, whichever is higher. When a sale is not involved, the fair value shall be determined from all available information, i.e., amount of funds escrowed, amount of encumbrances, assessed value, etc. It shall not be less than the sum of the unpaid principal balances of the mortgages and/or contracts to which the property is subject.

D. Extra Work Charges

There will be an additional escrow work charge fee for any additional work over and above the normal processing in an escrow transaction at the rate of \$50.00 per half hour or any portion thereof, with a half hour minimum.

In the event such charges are made, the extra work will be documented on the HUD or Settlement Statement.

E. Employee Rate

Employees of Greystone Title Agency, its subsidiaries, or any affiliated company (including employees who have retired under normal retirement procedures, including retirement on account of illness and early retirement based on the employer's policies as to retirement) shall receive complimentary **escrow service** (for those charges which they would customarily be expected to pay) in connection with a purchase, sale and refinance of their primary residence. The complementary escrow service noted above (purchase, sale and refinance) is limited to one purchase, and one sale, and one refinance transaction during a twelve (12) month period. The applicable rates shall be paid at close of escrow and then reimbursed through the accounting department and operating account after recordation.

F. Rates and Charges in Effect Prior to Filing

All rates contained herein become effective when approved by the Arizona Department of Financial Institutions or by operation of law.

G. Separate Sales or Exchanges (Different Owners)

Basic Charge applicable (Section 101) on each separate sale, seller or exchanger involved.

The applicable charge applies on the amount of each individual sale or exchange even though there may be one (1) common purchaser, and the sales or exchanges are handled concurrently, and one (1) or more separate escrows is involved.
